Dear Mr. President:-

On returning to my desk this morning after a week's absence from the city, I find your letter of August 27th respecting the son of Mr. J. Patterson, of the Meteorological Office. I have not received any formal application from Mr. Patterson, and of course am unable from your letter to tell exactly what form the boy might be able to make. You know of course that our Junior School has been filled for some time, but I am writing to Mr. Patterson to say that if he brings the boy to the school on Wednesday, we shall do the best we can to fit him in in deference to your wishes.

Yours faithfully,

H. J. Crawford

Dear Sir Robert:

If your engagements for that day permit, the masters and boys of the University Schools would feel honoured if you could be present even for a short time at their games on Friday next. If Lady Falconer were also able to be with us our appreciation of your kindness would be still further enhanced.

Yours faithfully,

H. J. Crawford

Professor R. J. Crawford,
The University Schools.

Dear Professor Crawford:

I am very much afraid that I may not be able to fit in the Boys Games on Friday afternoon. I have an engagement of long standing to be at luncheon that day, the Council of the Faculty of Applied Science meets at three o'clock, an important Property Committee at four o'clock, all of which I must attend, but if it is possible to wedge in a quarter of an hour I will do so, though I am doubtful of its feasibility.

Wishing you a very pleasant time and regretting that my hours are so fully occupied at present,

I am,

Yours sincerely,

President.

Sir Robert Falconer,
University of Toronto,

Dear President Falconer:-

The members of the Staff of the Faculty of Education and University Schools are entertaining Major Cline and other members of the Staff who were on military service, on Thursday, December 11th, at 6.30 o'clock, in the Faculty Union dining-room of Hart House. The Staff has asked me, as Chairman of the Committee of Arrangements, to invite you most cordially to attend this quite informal function as one of our guests. We shall be very glad to welcome you, if your other engagements permit your attendance that evening. If you would kindly let me know by phone on receipt of this, I should be obliged.

Yours faithfully,

H. J. Crawford
